NEXT MED

SHARE4MED

The **SHARE4MED** project supports the **EU Mission Ocean** by helping local municipalities, especially smaller ones, implement green initiatives. It expands the **Coalition of Mayors** from Italy to non-EU countries, creating a **Shared Action Plan** and an **IT platform** to monitor progress towards a sustainable Mediterranean, engaging both cities and communities.

Project partners

- **ETT S.p.A.** 
- Municipality of Genoa 
- Mohamed Boudiaf University of Science and Technology (USTO), *Laboratory of Marine Science and Engineering (LSIM)*, Oran 
- Association La Saison Bleue 

Total budget

€ 1.139.600
(89% EU Contribution)

Project Duration

**11/07/2025 -
11/01/2028**
